

ATTENTION

PATRON IDENTIFICATION

iD-tect

Advantages and Benefits:

- Fast and accurate checking and recording of patrons details.
- Detection of troublemakers or banned persons.
- Provides a safe environment for patrons and staff.
- Will detect Fraudulent or Copied Id's under age patrons (minors) and persons living within the 5km radius.
- Cost saving through negating the need for paper-based registration at club entry.
- Complies with all Privacy Legislation principles and Liquor Laws.
- Better Compliance and reduced chance of police intervention (infringement notices).

iD-tect

Patron Identification:

Crescent Head Country Club has installed iD-tect (id-Eye). This System is used for patron identification and access management into the club

IdEye is a scanning application used to read cards such as drivers licences and RMS photo ID Cards.

The system is capable of scanning a wide variety or world-wide ID cards.

The registration is complete in seconds without the need for paper-based entry register books/slips and storage of records.

Key Benefits for Registered Clubs:

- The Elimination of time consuming paper sign-in Registers
- Staff alerts for individuals with gambling “self exclusions” in place.
- Banned persons alert
- Prevents entries using false names.

REMEMBER

NO ID = NO ENTRY

The only acceptable forms of Id are:

- **Current Drivers Licence**
- **RMS Photo Card**
- **Passport**

Why not become a member and avoid any hassle!

Social Membership for visitor living outside the 5km area is only \$12 for 12 months.
