Patron Identification:

Crescent Head Country Club has installed ClubNet. This system is used for patron identification & access management into the club.

ClubNet is a scanning application used to read cards such as a drivers licence & RMS photo ID cards.

The system is capable of scanning a wide variety of world wide ID cards.

The registration is complete in seconds without the need for paper based entry register books/slips and storage of records.

Key Benefits for Registered Clubs:

- The elimination of time consuming paper sign in registers
- Staff alerts for individuals with gambling self exclusions in place
- Banned persons alert
- Prevent entries using false names

Advantages and Benefits:

- Fast & accurate checking and recording of patrons details
- Detection of troublemakers or banned persons
- Provides a safe environment for patrons & staff
- Will detect fraudulent or copied ID's under age & persons living within 5km
- Cost saving through negating the need for paper based registration at club entry
- Complies with all Privacy Legislation principles & Liquor Laws
- Better compliance & reduced chance of police intervention (infringement notices)
